

Intent:

At Stanhope Primary School, we provide a broad and balanced R.E curriculum. It is our intent for the Religious Education element of our school curriculum to engage, inspire, challenge and encourage pupils, equipping them with the knowledge and skills to: explore different religious beliefs, values and traditions; ask, and answer, challenging questions, and develop a more rigorous understanding of the numerous religious traditions, beliefs and practices that are followed in our multi-cultural society. Through our R.E teaching, we aim to enable all children to develop the ability to make reasoned and informed judgements about religious and moral issues and enhance their spiritual, moral, social and cultural development.
