Friday 24<sup>th</sup> January 2025

Dear Parents and Carers,

I hope this letter finds you well. The children have truly embraced another week of wonderful learning at school. I am so proud of the way they are showing pride in their work and striving to be their best selves by giving 100% effort. This week, I have been particularly impressed by some incredible pieces of writing that the children have produced, covering various topics, including the deforestation of the Amazon Rainforest.

I also want to take a moment to thank Stanhope families for their continued support in ensuring that children come to school on time and ready for the day ahead. This collaboration between home and school plays a vital role in helping the children start their day positively and make the most of their learning opportunities.

### **The Stanhope Way – School Rules**

Be kind

Be safe

Be your best self

### **Attendance Matters**

We kindly ask that if your child is absent from school, you contact the main office to inform us by 8:30 am. This ensures the school register is completed promptly, and all children are accounted for.

Miss Vernon will be working closely with families across the school to support attendance. If we do not receive any communication regarding your child's absence, she will reach out to you. In some cases, the school may arrange a home visit if we have not heard from you or seen your child.

Thank you for your cooperation and support in ensuring every child's regular attendance.

**Lower School Drop-Off**

If your child is in Reception or Key Stage 1 and you are running late in the morning, please take them to the main office at Upper School. This allows us to ensure your child is added to the register and their dinner is accounted for. Our staff will then walk your child to their classroom.

Please note that the side door by the car park at Lower School is for staff access only and will not be opened for children or families. Thank you for your understanding and cooperation.

**Diary Dates**

Miss Messom and I are currently working on a comprehensive list of key dates for the remainder of the year. Our aim is to provide you with all the important events in advance, helping you plan ahead and make necessary childcare arrangements if needed. Further details about specific events will be shared closer to their scheduled dates.

Have a lovely weekend ahead and thank you for your continued support.

Mr White and Miss Messom
